The user is required to lower the sails before lifting the vessel on land, otherwise the service will be charged in accordance with the used working hours from the price list of the marina.

Diver service during the use of travel lift is charged according to the standard hourly rate /per hours used.

The washing of the underwater part and crane operation of the catamarans is increased by 80%.

## **GENERAL TERMS AND CONDITIONS:**

This price list is effective from 1<sup>st</sup> January 2023. Marina Polesana reserves the right to change and update the price list without prior notification, and takes no responsibility for any typographical errors.

All Marina Polesana service users are to comply with terms and conditions from the effective price list, general terms and conditions of business and contract, as well as the Ordinance on Maintaining Order in Marina Polesana. In case of non-compliance with the terms and conditions Marina Polesana reserves the right to cancel the use of berth.

All services rendered are to be paid upon their execution/deliverance, except those services for which the payment method was previously defined in the contract.

A book of complaints may be found at the marina reception desk.

Marina Polesana reserves the right to charge for berths according to project documentation, that is according to the actual length of berth used and not the length of the vessel.

## **Waste disposal:**

Marina Polesana will, in accordance with Art. 77 of the Ordinance on the conditions and manner of maintaining order in ports and other parts of the internal sea waters and territorial sea of the Republic of Croatia (OG 72/2021) and Ordinance on order in the port of Marina Polesana to collect indirect fees for waste:

- Yachts and boats that have a nautical berth contract pay an indirect fee for waste acceptance, regardless of the actual delivery of waste in a lump sum of 1% of the fee charged by Marina Polesana under the berth contract.
- Yachts and boats, when in transit, pay an indirect fee for accepting waste when entering a port other than the port where they have a contracted nautical berth, regardless of the actual delivery of waste in a lump sum of 1% of the berth price.

## **Electricity Consumption:**

All berths are equipped with an electricity connection according to vessel size (from 16A – 250A). Electricity use is charged according to current price list.

## **Water Consumption:**

Standard water consumption for all vessels is included in the berth price daily, monthly, seasonal and annual sea / land berth (washing of vessels not included).

Water consumption over 200 litres per day is charged according to current price list.

When washing a vessel the use of hand-held water regulators, so called gun regulator is mandatory.

## **Prices:**

This price list contains the prices of sea berth, dry berth and other services. Services are charged based on the vessel's length overall and width of the vessel. Marina Polesana reserves the right to verify the length and width of a vessel. In case of a discrepancy, Marina Polesana reserves the right to calculate the price according to the calculated dimensions (loa).

## **Catamarans and Trimarans:**

For catamarans and trimarans all berth prices and other services are increased by 80%.

## **Auxiliary Vessels:**

Auxiliary vessels, regardless of whether they are subject to registration or marking with vignettes do not pay for a berth place when they are located on the main vessel. The signer of the yearly land berth contract with Marina is obligate to sign an additional berth contract for the auxiliary vessel if a separate berth is used for it. The berth price for a yearly, monthly, or daily sea / land berth for the vessels up to 8,99 m is reduced by 50%, and for longer vessels, the regular price applies. When the auxiliary vessel uses a separate berth and the main vessel is not within a contracted berth but on a daily berth, the daily berth for auxiliary vessel is charged according to the current price list. This service depends on availability.
